On the Backdrop of the Distribution of a Leaflet Exposing the Regime's Failure and Lies, the Authority Loses its Mind and Arrests the Dawah Carriers

(Translated)

On the backdrop of a leaflet distribution after the Friday prayers, 04/05/2018, of a leaflet titled: **"Islam is the only way out of politics that is a combination of failure and lies"**, issued by Hizb ut Tahrir Wilayah of Sudan, the security forces, in a gangster manner, stormed into the house of Sheikh Issa Ishaq in Ommdurman, and arrested three of his sons, Kamal, Khalid and Ishaq, they took them to an unknown destination after they searched the house and took books belonging to Sheikh Issa. They were released later that night. Brother Akram Saad Al-Hussein was also arrested from Khartoum North; he remains in detention as of writing this statement!

The leaflet contained information about the corrupt reality which is published in the daily newspapers, but what bothers the regime is the exposing of the facts and the ideological solutions. The regime wants to mislead people because it is conspiring with the IMF against the interests of the country and the people. And this is what is written clearly in the leaflet: *"...the real reason for the deterioration of the economy and successive crises is the government's departure from obedience to Allah (swt), and its pursuit of full obedience to the enemies of Allah; America and its institutions; the IMF and the World Bank."* Moreover, Hizb ut Tahrir's explanation of the ideological solution, which is stated in the leaflet, is as follows:

"The radical solution that Hizb ut Tahrir delivers to you, is the great ideology of Islam, because it is the life systems from the Expert and Wise, which is suitable for our lives and our Akhirah because it obliges us to rely on Allah (swt), and then to rely on ourselves, and it lifts the evil of the capitalist regimes from us, and the shackles of its taxation, and it (government) suspended the production and resulted in unemployment, and impoverished the people, and surrendered the country and the people to the enemy. And so the government found no solution except to beg at the enemy's door, and so it cut its ties with Allah's strong rope and upheld the enemy's ropes, and the weakest house is the spider's house if they knew!"

These words worry the Kafir West and makes it lose its sleep, and so it instructed its puppets in the Muslim land to silence the voice of truth that Hizb ut Tahrir proclaims. Therefore the regime moved its security apparatus, which is supposed to be for the security of the country and the people, to be a tool in the hands of the colonial Kafir Western agents, to oppress the sincere sons of the Ummah. But they will be disappointed and fail in their objective because the arrests, raids, detentions etc. will not silence the voice of truth and will not prevent the voice of Islam, which terrorizes the West and its tools.

Hizb ut Tahrir, by the will of Allah is proceeding in the work to resume the Islamic way of life by establishing the second Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood, which will cut off the hands of the Kafir West, who are meddling in our countries, and plundering our wealth. Then the wrong doers shall realize their fate.
