

Press Release

The Military Court in Sfax is trialing Munir Umara, Senior Member of Hizb ut Tahrir, over a condemnation statement against normalizing the Jewish entity, and it remains silent over the crime of this normalization!

(Translated)

Wednesday, the 20th of June, 2018 marked the beginning of the trialing of Munir Umara, Senior Member of Hizb ut Tahrir, in the military court of Sfax over the press release issued by the Hizb dated 27/05/2016 under the title: **“The Zionists are massacring the Muslims in Palestine, and they’re changing Masjid Al-Aqsa into a Jewish temple, but the Tunisian “revolutionary” government is exploiting the officers and soldiers for its sole protection and easing their “pilgrimage” every year??”**

What is the crime being committed by Hizb ut Tahrir and Munir Umara so that they trial him in a military court?

Munir Umara is being trialed because he distributed for Hizb ut Tahrir in Wilayah Tunisia in the year 2016 a press release which condemns what the back-then Government of “Compatibility” which granted 50 visas to those carrying the criminal Zionist passports lead by someone named Rafael Kouhin, a Rabbi from the Shas Jewish extremist party which supports the butcher Sharon in killing our brethren and children in occupied Palestine.

The back-then Government was not only satisfied with allowing the terrorist Jews to enter Tunisia, but it even sent ministers to welcome them in the best way possible! **It even deluded and exploited the security and army as security guards to ensure the safety of the terrorist Jews who are butchering our brethren in Palestine every single day, are surrounding Masjid Al-Aqsa in order to destroy it, and are not allowing many Muslims in Palestine to offer prayer in it.**

Didn’t the government with that statement give Tunisia to the terrorist enemy under the pretext of “pilgrimage” to the Ghareebah temple in Jarba in May 2016?! Didn’t the back-then government address a massive insult to the security forces and the army by exploiting them to guard their enemy without them knowing?! Isn’t it very weird that the military court in Sfax slam Munir Umara with the accusation of insulting the army (just like that)!! **Yet, who was the one who insulted the army and exploited it; is it Hizb ut Tahrir who addressed the army so release it from working complacently horrible jobs for the government** or the government which welcomed the enemy of the Tunisians, but rather all of the Muslims of the world?!

In addition, the military court in Sfax is igniting their problem with Hizb ut Tahrir's press release after two years of it being issued, and it accuses Munir Umara of distributing a pamphlet **in order to cause public distress**, (even though the reality shows that the press release did not cause distress to the Tunisians or their general safety)... Why? Why are the regime and its institutions exerting all this effort to announce their complacency with the Jewish entity in deviance to the raging emotions of the Muslims in Tunisia? What is the Military Jurisdiction intending against the members of Hizb ut Tahrir by making them feel responsible for issuing a press release against the Zionist soldiers' invasion of the land of Tunisia?

O Judges of the Military Court:

Who deserves to be trialed, if not prosecuted?! Who is the suspected criminal? Is it Hizb ut Tahrir who addresses the Muslim armies, inclusive the Tunisian army, so that they perform their obligation of saving Palestine and its people?! Or those who remain silent over the crimes of the enemy's entity which is killing the women and children of Palestine, the same enemy who bombed us in Hammam Ash-Shatt in 1985 then came back again in 2016 to parade in our Tunisian streets to Sfax in order to kill an aerospace engineer Mohamed Az-Zawari, may Allah have mercy on him, then came out safely "victorious" whilst taking pride in front of the people for their crimes?!

O Judges of the Military Court:

Palestine is burning on the murderous hands of the Jewish Entity... Palestine is being slaughtered by the hands of the barbaric Jewish mobs... Palestine is the land of Israa' and Mi'raj, the Blessed Land, the first of the two Qibla, is crying for the help from the Muslim armies...

Are those who stands up to support Palestine, condemns the crime of complacency, and calls upon the armies to support it considered suspected criminals who deserve to be imprisoned?!

Are you indicting Hizb ut Tahrir and Munir Umara, who strongly condemned the deception of the security forces and the army, while you leave the officials who deceived them and welcomed the enemies of the Ummah in the utmost best manner?! Do you not know that you will be resurrected on a Great Day, a Day where the people will be resurrected to face The Lord of both Worlds?

Allah (swt) says:

(أَفَنَجْعَلُ الْمُسْلِمِينَ كَالْمُجْرِمِينَ * مَا لَكُمْ كَيْفَ تَحْكُمُونَ)

“Then will We treat the Muslims like the criminals? What is [the matter] with you? How do you judge?” [Al-Qalam: 35-36].
