Why Facilitate the Removal of Nawaz Sharif, Only to Follow his Treacherous Path of Humiliation Before India?

After General Bajwa's hug of India's Minister from Punjab, Navjot Sidhu, for the first time ever, Pakistan's troops have participated with Indian troops in mock operations against "terrorists," as part of the Shanghai Cooperation Organization's (SCO) joint "counter-terror" drills in Russia, that end on 29 August 2018. So, having facilitated the removal of Nawaz Sharif on grounds of his treachery with respect to India, the military leadership now sees fit to walk his path of capitulation before a perpetually hostile Hindu State. Just who does Pakistan's military leadership imagine the "common enemies" of the Hindu State and Muslims are? Are these exercises to prepare for joint operations against the Muslims of Occupied Kashmir, who are defiantly resisting the Indian occupation with no external support? Or for joint operations against the noble Muslim tribal fighters who have threatened India's assets in Afghanistan and brought India's master, the US, to its knees, pleading for peace? And how is alliance with China in the SCO an excuse for revealing our military capabilities to a relentlessly hostile India? China itself has unleashed brutality against the Muslims of East Turkestan and is flagrantly exploiting CPEC to undermine our economy. So, why facilitate the removal of Nawaz Sharif, only to follow his treacherous path of conceding to Indian regional dominance through military, political and economic normalization?

Allah (swt) said, **«الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ أَبِئْتَعُونَ عِنْدَهُمُ الْعِزَّةَ فَإِنَّ الْعِزَّةَ لِلَّهِ جَمِيعًا»** **“Those who take disbelievers for allies instead of believers, do they seek power with them? Verily, then to Allah belongs all power.”** [Surah an-Nisa'a 4:139]. RasulAllah (saaw) as the military leadership of the Madinah State never compromised, allied or cooperated with the enemy. RasulAllah (saaw) conquered Makkah, after the Quraysh betrayed a single condition of the Armistice of Hudaibiyyah, even though they did not undertake direct hostilities against the Madinah State. So, what of India, which is constantly martyring our civilians and troops through firing across the Line of Control? Moreover, the Muslim has only ever known of treachery from the Hindu when he has had any degree of authority over us and that is why our forefathers struggled for Pakistan in the first place. Our rights will never be restored through negotiations and compromise with the treacherous Hindu State, but through the force of arms. RasuAllah (saw) said, **«مَا تَرَكَ قَوْمَ الْجِهَادِ إِلَّا دُلُوعًا»** **“No people abandon Jihad except that they are humiliated”** [Ahmad]. Consider, if our enemy is shaken by pitifully small bands of poorly-armed, yet extremely brave and determined Muslims in Occupied Kashmir, how will it be when faced with an organized Jihad by a fully-prepared and motivated Muslim armed forces?
