

Press Release

Only Through the Khilafah on the Method of the Prophethood Will We Defend the Honor of the Prophet by the Strength of Our Armed Forces, such that the Evil Tongues and Hands will Fall Still

The good Muslims in Pakistan have mobilized in protest over a cartoon competition desecrating the Prophet Muhammad (saw) in the Netherlands, whose winners are to be announced in the high-security PVV offices in The Hague parliamentary complex in November 2018. As for the rulers of Muslims collectively, who command over three million willing and able troops, they will never use the necessary threat of force to scare the shayateen away from the blasphemers and their "freedom of expression" supporters, from the governments of the West. Their toothless Organization of Islamic Cooperation (OIC) awoke from its slumber on 24 July 2018 to issue its customary condemnation and protest. As for Pakistan's rulers specifically, who command the world's most capable Muslim Armed Forces, on 20 August 2018, their Foreign Office announced condemnation and a commitment to raise the issue again with the slumbering OIC.

Even in the weakest period of the Khilafah (Caliphate), the threat of its Armed Forces was enough to ensure that the evil tongues and hands fell still. Twenty years prior to the destruction of the Khilafah, a play was being staged in France and Britain defaming RasulAllah (saaw). When the Khalifah, Sultan Abdul Hamid II, was informed of the play, his ambassador warned France which promptly stopped the play. Then, when the evil tongues and hands went to Britain, the same warning was issued by the Khilafah to Britain. However, Britain's reply was that the tickets were sold out, and banning the play would be an infringement on the "freedom" of its citizens. So the Khaleefah simply declared, "I will issue an edict to the Islamic Ummah declaring that Britain is attacking and insulting our Prophet. I will declare Jihad..." Upon receiving this threat of mobilization of the Khilafah's Armed Forces, the claim for "freedom of expression" was quickly forgotten, and the performance quickly stopped.

So, O Muslims of Pakistan, is it not now clear that you must strive with Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood, so that we will defend the Prophet's honor by the strength of our Armed Forces? As for you, O Muslims of Pakistan's Armed Forces, it is now clear that you must grant Nussrah to Hizb ut Tahrir, so that finally a Khaleefah Rashid will use the threat of your fire, blood and steel to scare the Shayateen away from those who harm Islam and its sanctities. Allah (swt) said, ﴿إِنَّ الَّذِينَ يُؤْذُونَ اللَّهَ وَرَسُولَهُ لَعَنَهُمُ اللَّهُ فِي الدُّنْيَا وَالْآخِرَةِ وَأَعَدَّ لَهُمْ عَذَابًا مُّهِينًا﴾ "Those who harm Allah and His Messenger - Allah has cursed them in this World and in the Hereafter, and has prepared for them a humiliating Punishment" [Al-Ahzab: 57].
