To Please America, Pakistan's Rulers March on the Path of Humiliation and Submission before the Belligerent Hindu State

Pakistan's Prime Minister, Imran Khan, tweeted on 22 September 2018 that he was "disappointed" after India arrogantly announced to cancel the meeting of foreign ministers of India and Pakistan that was to be held on the sidelines of UNGA in New York. So, despite its claims of "change," within its first hundred days the new regime is marching on the path of humiliation before the Hindu State, which is already well worn by Nawaz Sharif and Musharraf before it. Why call for talks with the Hindu State when the Muslims have only ever known of treachery from the Hindu when he has had any degree of authority or opportunity over us and that is why our forefathers strove for Pakistan in the first place? Why ask for talks with the Hindu State, when the suffering of the Muslims of Occupied Kashmir under the Hindu State occupation is already immense and talks to label the resistance of Muslims of the valley as "terrorism" would only serve to encourage Hindu atrocities against Muslims of Kashmir? Why call for talks with the Hindu State, when talks with India are part of the US plan to relieve the Hindu State of the thorn of Occupied Kashmir in its side, so that it is freer to rise as an unjust regional guardian for US interests against Muslims and China? Why submit before the Western crusaders and hateful Hindu mushrikeen, when Allah (swt) warned, **مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ** **﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ﴾** **Neither those who followed earlier revelation who deny the truth, nor the Mushrikeen like to see good bestowed upon you from your Sustainer; but Allah bestows grace upon whom He chooses - for Allah is limitless in His great bounty.** [Surah al-Baqara 2:105]?

The Muslims must not wait for the end of the first hundred days before raising their voices against the rulers as they march towards humiliation and insecurity. If the regime has marched off in the wrong direction well within hundred days, how much further will it have marched at the end of the hundred days? Even now the situation can be turned around immediately, if the Muslims have rulers that put Islam and Muslims first and last, paying no heed whatsoever to US plans, promises and guarantees. In Islam, there are no military alliances, co-operation, intelligence sharing, flag meetings, diplomatic relations and economic ties with nations that are hostile against Muslims. Islam requires that Muslims fight against the Hindu State occupation until it is ended. So, let there be full and open support, financial and intelligence, for the Muslims in Occupied Kashmir in their struggle for liberation and annexation with Pakistan. Let our nuclear assets be deployed so that the India does not even imagine drastic steps, stricken and paralyzed by fear. And let all this to continue until the Hindu State occupation is eradicated, on the way to restoring Islam's dominance over the whole Indian Subcontinent as it was for centuries under Islamic rulers previously. Let the Muslims turn their backs now on the "regime of more of the same" and strive to re-establish the Khilafah (Caliphate) on the Method of the Prophethood so all this can happen.
