Announcement of a Campaign Launch

(وَمَنْ أَحْسَنُ مِنَ اللَّهِ حُكْمًا)

“But who is better than Allah in Judgment”

(Translated)

The one who is following the current situation in Jordan will be aware of the country's political, economic and security vacuum, the lack of effective solutions to the accumulated problems that have plagued the country as a result of the implementation of the unjust capitalist regimes on the people, and the poor care of the people by the regime, and the magnitude of corruption and the pervasive corruption that surfaces every day leading to destruction and instability, which created a state of fear, anxiety and anticipation among the people, fearing for their lives, their honour and their money. Thus, various forces in society expressed their fear of this with cries of warnings of the near destruction and with serious thinking on the process of change, and people's discussion of different ideas to come out of the state of vacuum so that they might save the situation from the dire consequences for their future and the future of their children, and about this reality:

We, in Hizb ut Tahrir / Wilayah of Jordan, value this state of awareness, and the yearning of the forces of society for the process of change that will save them from what they are in. We would like to draw the attention of our people in Jordan - especially those who are carrying out the process of thinking for the change – to a dangerous matter that those who aspire for change fall in its traps; it is the making of reality the source of thinking, so they refer to the box that is created by the colonialists and is detailed thoughts, systems, values, solutions and answers to these problems. By Allah, this is the real cause of the destruction of real change. In origin, reality is the subject of thinking, but extraction of solutions must be from the ideas of Islam, its rules, values, treatments which were implemented for thirteen centuries.

And because we understand the gravity of the responsibility upon our shoulders due to the saying of the Prophet (saw): «إِنَّ الرَّائِدَ لَا يَكْذِبُ أَهْلَهُ، وَاللَّهُ لَوْ كَذَّبْتُ النَّاسَ جَمِيعًا مَا كَذَّبْتُكُمْ، وَلَوْ عَشَشْتُ النَّاسَ جَمِيعًا مَا عَشَشْتُكُمْ»، **“The pioneer does not lie to his people; by Allah, if all of the people lie to you I will not lie to you, and if all of the people cheat you, I will not cheat you”** We announce the launch of the campaign: (وَمَنْ أَحْسَنُ مِنَ اللَّهِ حُكْمًا) **“But who is better than Allah in Judgment”**. To bring awareness to the people and to the people of influence is a way to the secure path, and reminding them of the greatness of Islam and its sublime laws and systems, calling for the adoption of the perfect rules of Allah, which include all the good, that forbid all evil, warning them of going against them by following other opinions, whims and ideas, which promote the process of cosmetic superficial change, leaving the country in a state of vacuum and instability, and does not solve its growing problems.

O honourable people of Jordan, join us in our campaign calling for the adoption of Allah's rules, and to reject any other cosmetic patch work solutions that do not save the country or solve the problem. Let us work together to resume the Islamic way of life by establishing the Khilafah Rashida (Caliphate) promised by the Lord of the Worlds, and His Messenger the truthful and trustworthy who gave us its glad-tidings. It has the effective solutions to the problems of the country and it will stop its destruction. We ask Allah to open the hearts and minds for this campaign for the good it carries, to hasten the empowerment of Islam and Muslims in the land to implement and execute Islam and its rules, and remove the ideas of kufr and its systems and laws from the Muslims countries, but rather from the whole world, by restoring the rule of Allah in the life, the state and society. This is easy for Allah to accomplish. (أَفَحُكْمَ الْجَاهِلِيَّةِ يَبْغُونَ وَمَنْ أَحْسَنُ مِنَ اللَّهِ حُكْمًا لِّقَوْمٍ يُوقِنُونَ) **“Then is it the judgement of [the time of] ignorance they desire? But who is better than Allah in judgment for a people who are certain [in faith]”** [Al-Ma'ida: 50]
