Press Release

Who Does not Know that "Terrorism" for America means Islam?!

(Translated)

Addressing the opening sitting of the 34th session of the Council of Arab Ministers of Justice in Khartoum, on Thursday, 22 November 2018, Al-Bashir said that the siege imposed on his country because of its designation as a state sponsor of terrorism is "unfair" as it is baseless and has no evidence... Pointing out that his country has made great efforts to encounter terrorism and has ratified all the regional and international treaties to fight it. Further, it has concluded bilateral agreements on justice and judicial cooperation for the combatting of terrorism as well as developed advanced legislation criminalizing terrorist acts and its financing.

Everyone knows that terrorism in America's custom means Islam, and American politicians have expressed this on many occasions. "Eugene Rostow", when he was head of the State Department's Policy Planning Council and an adviser to US President Johnson, said: "America can only stand on the hostile side towards Islam, because if it does the opposite, it denies its language, culture, and institutions. The goal of the Western world in the Middle East is to destroy the Islamic civilization". The former secretary general of NATO, Willy Claes, said: "The Alliance has placed Islam as a target for its hostility in place of the Soviet Union". Bush Jr said: "This crusade, those wars on (terrorism), will be long-term". In his inauguration ceremony, on 20/1/2017, Trump said: "We will reinforce old alliances and form new ones and unite the civilized world against (radical Islamic terrorism), which we will eradicate completely from the face of the Earth" Allah the Almighty has spoken truthfully: ﴿ وَلاَ يَزَالُونَ يُقَاتِلُونَكُمْ حَتَّى يَرُدُوكُمْ عَن دِينِكُمْ إِن اسْتَطَاعُوا ﴿ And they will continue to fight you until they turn you back from your religion if they are able." [Al-Bagarah: 217]. And He the Almighty says: ﴿ وَدُواْ لَوْ تَكَفُّرُونَ كَمَا كَفْرُواْ فَتَكُونُونَ سَوَاءَ They wish you would disbelieve as they disbelieved so you would be alike." [An-Nisa: 89].

Bashir's complaint about the American tightening on Sudan despite of what it offered and still offering of brazen participation in the American War on Islam, which is evident in the harassment of the Dawah carriers; by the removal of imams, the prevention of public Islamic seminars, the restriction on Dawah in mosques, changing the Islamic curricula, changing the legal punishments (Hudood), such as the punishments of apostasy and stoning, and leading the country on the path of explicit secularism instead of raising the slogans of Islam and tickling the feelings of Muslims in this country without arbitration Allah's law in reality. We say this complaint will be in vain, for Allah the Almighty has asserted in His noble Book that they, i.e. the Kuffar, will not be satisfied with the ﴿ وَلَن تَرْضَى عَنكَ الْيَهُودُ وَلا النَّصَارَى حَتَّى تَتَّبِعَ مِلْتَهُمْ ﴾: Muslims until they turn Kuffar like them. The Almighty said "And the Jews will not be pleased with you, nor the Christians until you follow their

religion." [Al-Bagara:120].

There is no doubt that America is a colonial state whose deceits will not interrupted except by an ideological state that applies Islam, raises its banner and eradicates the disbelievers. This is the real change, which is a promise and an obligation. The people of Sudan must shake off their hands from supporting this regime in Sudan, which is immersed in allying with Allah's enemies and in wasting the resources and potentials of the country, to serve the Americans. And they must work to restore the Khilafah Rashidah (righteous Caliphate) state on the method of the Prophethood, the «ثُمَّ تَكُونُ خِلَافَةٌ عَلَى مِنْهَاجِ النَّبُوَّةِ ثُمَّ Allah and the glad tiding of His Messenger (saw) who said: «ثُمَّ تَكُونُ خِلَافَةٌ عَلَى مِنْهَاجِ النَّبُوَّةِ ثُمَّ "Then there will be a Khilafah on the Method of Prophethood, and then he (saw) was silent" (Narrated by Imam Ahmad).
