

Press Release

Muslims of Hajin Town have no One to Cry for them

(Translated)

For months the crusader alliance's aircraft have claimed the lives of Muslim civilians from the town of Hajin and other areas in the countryside of Deir al-Zour under the name of fighting terrorism; this shelling, which killed hundreds of women, children and the elderly in brutal massacres that are a disgrace to humankind and shunned by the monsters of the jungle.

Today, our people in Hajin are living under the practices of what is left of ISIS, and between the hammer of the crusader alliance's aircraft and the anvil of the Syrian Democratic Forces (SDF). The media directed by the West which claims neutrality and non-alignment, also has a share of their blood; and it became evident to everyone that it has lost even the humanity and became deaf, dumb, does not speak and see except what the supporters allow, as is the case with the leaders of the factions and their legislators, who are still leading the revolution to further decline, retreat and defeat. Thus, the revolution that was at the beginning one body where the north championed the south and the west championed the east, the throats of our people in Idlib roared the slogans "Oh Daraa, we are with you until death", and the throats of our people in Homs roared, "Oh Deir al-Zour, we are with you until death". That was before the faction leaders' stomachs were filled with the food of the supporters who removed Muslims' chivalry from their heads, turned them into tools in the hands of the supporting countries, empowered their security personnel over the people's necks and drifted their gun from the correct course and directed it to each other chests, after classifying them as moderate and terrorist.

What is happening today in Hajin should prompt us to remember two things:

The first is that the hateful, authoritarian and Western-backed factions are the main cause of all the setbacks of the revolution; the most important of which is the silence of the people and their loss of confidence in the change, and that they are the reason for the control of their throats, which used to champion any Muslim in Ash-Sham.

Second, Muslims in general and the people of Ash-Sham. in particular will remain languishing under the yoke of slavery and the flames of Crusader hatred as long as Muslims remain without an imam who rules by the law of Allah Almighty; a shield who

is fought from behind and is protected by; who cares for their affairs and moves their armies to support an oppressed Muslim shouting 'O Mua'tasim!'

So, O Muslims in Ash-Sham the Abode of Islam:

The shortest way to support Hajin and to support the oppressed people in Ash-Sham, Daraa and others; and the shortest way to overthrow the regime begins by breaking the barrier of fear that the faction leaders built with the skulls of their elements and a mixture of their blood. This will ensure that the revolution restore its splendor and former dignity. And know that our situation will not be set right except by what set it right in the first instance, namely the return of Islam as a system of life for the state and society through the establishment of the Khilafah Rashidah (righteous Caliphate); which is an obligation imposed on us by Allah (swt) as prayer and fasting, and in which our salvation, our pride and our dignity that have been robbed from us since the overthrow of the Khilafah state by the criminal Mustafa Kamal. It is also the promise of our Lord and the glad tiding of our Prophet Muhammad (saw).

Know that half of a revolution is fatal and half solutions is a loss of rights, so the revolution must be completed to achieve its goals of overthrowing the regime of criminality and establishing the rule of Islam, and know that our salvation is in our hands, not in the hands of our enemies. Remember that you came out against the Pharaoh of Ash-Sham, so do not stop halfway after the revolution has revealed and exposed every conspirator and each traitor. And know that victory comes with patience for an hour; and that with hardness is ease. You only have to lift your heads up again to see victory and follow its way and build the edifice of the second Khilafah Rashidah once again with clean hands that have ablution on them, and that is no great matter for Allah.

Allah the Almighty says:

﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَئِكَ هُمُ الْفَاسِقُونَ﴾

“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.” [An-Nur: 55].
