Ambassador of America and Architect of the Judaization of Jerusalem, Transverses Along and Across Tunisia

Where are its men ...?!

(Translated)

On 16/04/2019, the Municipality of Qabli received the US Ambassador, as part of the strengthening program which is concerned with the field of cleanliness and support of associations, then he moved on 17/04/2019, to Tozeur to visit the craft village Castelia to inspect a project by a group of graduates of cultural exchange programs which are financed by the United States Department of State and aim to enhance the capabilities of women artisans...

Donald Blum, this US ambassador to Tunisia who travels along and across Tunisia, was a consul general in Jerusalem from 2015 to 2018, that is, who took over the transfer of the U.S. embassy to Jerusalem, and was the director of the Multi-National Strategic Force cell in Iraq, i.e. a supervisor of the killings of thousands of people of Iraq ... Nevertheless, the officials in Tunisia receive him with welcome and praise, and enable him to intervene in the country under the pretext of aid; a humiliating and degrading aid. Do we need America's help in Tunisia for cleaning or setting up gardens?! Do Tunisian women need the poisoned American aid to learn a craft?!

When did America want the goodness for the Muslims where its policy towards their issues is a hostile criminal policy? America has declared it a crusade by the tongue of Bush the father and then the son, and since then it has been waging a war of extermination against the Muslims, and continues to distort the image of Islam and call it "terrorism" and opened doors to the conquest of Islam, the violation of its sanctities and the abuse of its Quran and its Prophet. It was America that conquered the Muslim countries, killed hundreds of thousands and tortured and committed crimes in Iraq, Afghanistan and Pakistan, looted goods and riches and made Muslims in abject poverty. It was America, that adopted the usurper Jewish entity and provided it with money and weapons, and supported it by unjust international resolutions and covered its heinous massacres since its inception.

We in Hizb ut Tahrir / Wilayah of Tunisia, reject this evil relationship with America and with all the colonial countries that have committed crimes against Tunisia and against Muslims, and refuse the desecration of our land by this ambassador or other ambassadors of the colonial countries. We call upon all

honorable people in Zaytouna to reject this poisoned aid because it is a way to make our country under colonial tutelage, And we say to every official who received this ambassador and rejoiced at his visit, it is a shame that you humiliate yourselves and your people with the aid crumbs delivered by the US Ambassador which is originally from your looted money, and that your reception of the enemy of your Ummah, your religion and your country, is a betrayal you deserve accountability but rather trial for it. We remind you of the saying of Allah (swt): يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ ﴿٥٩﴾ “O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them. Indeed, Allah guides not the wrongdoing people.” [Al-Anfal: 59].

And we say to the terrorist America and its ambassador the architect of ruin wherever he travelled or deported:

No welcome to you and your masters the criminals of war and the looters of the people, and do not be deluded by a bunch of quasi rulers and partial politicians, the pursuers of chairs who greeted you and bowed for you, for they do not represent the people of Tunisia who reject your visits and refuse your poisoned aid. And learn that we in Tunisia know your crimes and we recognize your malicious schemes, and we are part of the Islamic Ummah, which has risen to liberate itself from your domination to establish the state of justice; the Khilafah Rashidah (righteous Caliphate) state on the method of the Prophethood that will rid the world, with Allah’s permission, from your evils and crimes and pursue the greatest of your criminals.

﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾

“And those who have wronged are going to know to what [kind of] return they will be returned.” [Ash-Shu’ara: 227].
