The Recent Statements made by Trump Revealed the Evil Intentions of the US against Afghanistan

(Translated)

During a joint press conference with the Pakistani Prime Minister Imran Khan, Donald Trump said that “I have plans on Afghanistan that, if I wanted to win that war, Afghanistan would be wiped off the face of the Earth. It would be gone.” “It would be over in – literally, in 10 days. And I don’t want to do, I don’t want to go that route.”

The **Media Office of Hizb ut Tahrir / Wilayah Afghanistan** strongly condemns the irresponsible statement made by the US president and considers this as a grave insult not only to dignified and Mujahid people of Afghanistan, but also to the entire humanity. Though, we the people of Afghanistan have gravely been suffering from the crimes and terror committed by the US and NATO against us on a daily basis, we are fully aware of their deceitful measures. However, the recent statement made by the Dajjal of our time has once again revealed the real face of the Western colonialists that was hidden behind their humanitarianism programs, deceitful democratic values and humanitarian projects which, indeed, must have happened to function as a wake-up call for those who still are blindly following the West and expecting prosperity and happiness from them. In addition, such a reckless address of the US president blatantly unveiled the Western leaders’ heinous intentions filled with blunt enmity, hate and prejudice against the Muslims.

In fact, Trump has to be reminded of two important realities:

The US leadership must once again go through the history of this pure land which is filled with the glory of Mujahidin, and learn that any invading power with an eye to invade Afghanistan had been scornfully defeated – this is what has caused Afghanistan to be labeled as “Graveyard of the Empires”. It, in fact, was Afghanistan and the Afghan people that wiped off any invading super power of the face of the earth as they ever had dared to step on it.

The US leadership has been vastly stricken by supremacist arrogance – quite similar to that of Pharaoh’s – which is why they (Americans) keep insulting the rest of the world. While in fact, they have forgotten their prevalent reality as they are fiercely suffering from severe domestic crisis which seemingly has put the US on the verge of a severe internal collapse. The US, after its 18 years of occupation, has witnessed a remarkable defeat in Afghanistan as its political and military strategies faced with

robust stalemates. For this reason, the US has started to negotiate with the Taliban through the so-called peace process, so as they could have secured a respectful exit for themselves. That is why, they have extended their imploring hands to Pakistan, whose traitor leadership has also rushed to their help by pressuring the Taliban in order to prevent a complete defeat of the US in Afghanistan.

What else can be more of a fact for the US's defeat in Afghanistan as when it, the super power, happens to sit on a negotiating table with a militant group whom they (Americans) used to call as 'terrorists'. Undoubtedly, it is due to the cooperative ties, massive fear and cowardice of the traitor leaders of the Islamic lands as the US leader happens to audaciously carry such an irresponsible address against Muslim people of Afghanistan. In fact, the West has cunningly dangled the chains of slavery around the necks of the so-called coward leaders of Islamic lands which in turn have caused them to display more of loyalty to the West instead of hatred and repulsion.

Therefore, we need to bear in mind that such reckless measures, arrogant statements and disastrous policies of the Western leaders will continue in the Muslim lands unless the Caliphate (the second Khilafah Rashidah) is re-established and the leadership of the Islamic Ummah is undertaken by brave, graceful and zealous Muslim leaders. The Caliphate will be established in the soonest time, and will react firmly against such Pharaohs as they would never dare to act likewise. Because the Caliphate will completely wipe off the Western and colonial dominance of the Muslim lands which will consequently turn their global hegemony into part of the history, In Sha Allah!

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا بَطَانَةً مِّن دُونِكُمْ لَا يَأْلُونَكُمْ خَبَالًا وَدُّوا مَا عَنِتُّمْ قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي صُدُورُهُمْ أَكْبَرُ﴾

“O you who have believed, do not take as intimates those other than yourselves, for they will not spare you [any] ruin. They wish you would have hardship. Hatred has already appeared from their mouths, and what their breasts conceal is greater. We have certainly made clear to you the signs, if you will use reason.” [Al-i-Imran: 118]
