## Abdul Malik al-Houthi's Threats to Target the Jewish entity for Domestic Consumption

(Translated)

On Saturday, 09 November 2019, Abdul Malik al-Houthi delivered a lengthy televised speech to his crowds in Maidan 70 (Sana'a) to celebrate the Prophet's birth, in which he said "... Should Israel perpetrate any foolish act against our nation...our nation would not hesitate to declare jihad for the sake of Allah against this enemy, nor would we hesitate to deliver deadly blows to [Israel] and attack the extremely sensitive targets belonging to the enemy entity Israel".

The slogan of the Quranic March launched from Saa'da in 2014 was "Liberation of Al-Aqsa Mosque" from the desecration of Jews, so, what changed it and made it wait until the Jewish entity attacked it, to respond by attacking only some sensitive targets, without coming to it to destroy it completely?! Houthi politicians, both young and old, have long spoken of the involvement of the Jewish entity in the coalition of the war on Yemen. The liberation of Al-Aqsa is nothing but a slogan to entice followers to hone in on their passion in the liquidation of those who prevent them from reaching Al-Aqsa as they claim. But having the followers felt that the Quranic March had changed its goal in Sana'a, so what if it went out of Yemen? There is no doubt that it will join the axis of resistance, for it is capable of destroying the Jewish entity by speaking!

Such threats, whether they are from Abdul-Malik al-Houthi or other puppet leaders, are intended solely for domestic political consumption, burnishing and raising their shares only. The promotion of these threats began only in the media from the night of the speech by bringing in political analysts to explain the contents and the secretes of the statement. Then on the next day it was through the pages of newspapers and so forth, ending with the poor followers who receive those statements as if they were real. Surprisingly, even the Jews participated in the game, and America may make for him what burnishes him of additional championships that do not harm the Jewish entity.

The purpose of this media campaign is to burnish Abdul-Malik and show him in the garment of "the liberator of Al-Aqsa" which he is neither its people nor wearing it. So, look at the coming months how the media will use Abdul Malik's threats to make him a hero without compromising a single hair of the Jewish entity.

Brief statement: the Jewish entity is not removed by mere threats, rather by the Muslim armies under the banner of al-Okab, confirming the saying of the Prophet (saw): «لَا تَقُومُ السَّاعَةُ حَتَّى تَقَاتِلُوا الْيَهُودَ حَتَّى يَقُولَ الْحَجْرُ وَرَاءَهُ الْيَهُودِيُّ يَا مُسْلِمُ هَذَا يَهُودِيٌّ وَرَانِي فَأَقْتُلْهُ» "The Hour will not be established until you fight with the Jews, and the stone behind which a Jew will be hiding will say. "O Muslim! There is a Jew hiding behind me, so kill him."

And this can only be under the second Khilafah Rashidah (righteous Caliphate) State. The Prophet (saw) said: «... ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مِنْهَاجِ النَّبِيِّ...» "...then there will be a Khilafah on the Method of Prophethood".
