

Press Release

## The Ultimate Treason is to Prevent Events Calling on Muslims and their Armies to Support Gaza and the Liberate Palestine

(Translated)

Under the title: “The Tunisian Revolution is a Start off for the Support for Gaza and the Liberation of Palestine”, the Shabab of Hizb ut Tahrir in Wilayah Tunisia and their supporters organized a stand in Hammamet city and a photo exhibition in Mourouj in Tunis on Friday and Saturday, 29 and 30 November 2019, after the notification and approval of the local authority. However, the organizers of these activities were surprised by the security forces storming the premises and preventing the activities in a precedent reminiscent of the tyrant Ben Ali’s subordinates and henchmen.

The ultimate treason is that our rulers receive the infidels of the Jewish entity, and provide them with protection and care to perform their religious rituals on the Island of Djerba after turning it into a military and security barracks, and in return our people in Tunisia, the revolution, are prevented from supporting their brothers and sisters in Gaza and Palestine.

For whose benefit are those activities prevented?! Does the call of the Shabab of Hizb ut Tahrir to move the armies, in support of Palestine and the captive Al-Aqsa haunt our rulers or it haunts the Jewish entity?

Is it allowed in the country of Az-Zitouna and Kairouan to advocate for homosexuality and the CEDAW convention and to disassociate the people from their Islamic identity, while those who call on Muslims to apply Islam and liberate the Holy places are prevented?! Certainly, the perpetrator deserves disgrace in this world and agony in the Hereafter.

Preventing a political action on the basis of Islam is considered a great crime, so what if the prevention relates to calling on Muslims and their armies to support Gaza in the face of Jewish attacks, and to liberate Palestine and the captive Al Aqsa from the usurper entity, it is undoubtedly the mother of all crimes? If normalization with the Jewish entity is considered a high betrayal, then what to call the one who receives the infidels of the Jewish entity and prevents the support of Gaza and the liberation of Al-Aqsa?

This prevention will not discourage the Shabab of Hizb ut Tahrir from advancing the steps to rise up Muslims and their armies to liberate Palestine, but what the regime's henchmen have done is a disgrace added to the record of the rulers who traded the issue of Palestine and proscribing normalization. The Almighty said: **﴿صُرِبَتْ عَلَيْهِمُ الذَّلَّةُ أَيَّنَمَا تَقْفُوا إِلَّا بِحَبْلٍ مِّنَ اللَّهِ وَحَبْلٍ مِّنَ النَّاسِ﴾** وَبَاءُوا بِغَضَبٍ مِّنَ اللَّهِ وَصُرِبَتْ عَلَيْهِمُ الْمَسْكَنَةُ ذَلِكَ بِأَنَّهُمْ كَانُوا يَكْفُرُونَ بِآيَاتِ اللَّهِ وَيَقْتُلُونَ الْأَنْبِيَاءَ بِغَيْرِ حَقِّ ذَلِكَ بِمَا عَصَوْا وَكَانُوا يَعْتَدُونَ ﴿١٤٤﴾ **“They are stricken with humility wherever they may be, except when under a covenant (of protection) from Allah, and a covenant from men; they have drawn on themselves the wrath of Allah, and destitution is put over them. This is because they disbelieved in the Ayat of Allah and killed the Prophets without right. This is because they disobeyed (Allah) and used to transgress (the limits set by Allah).” [Al-i-Imran:112]**
