## A Reflection on the Injustice and an Increase in the Temptation and Misguidance, the Ruling System in Jordan Arrests Another Dawah Carrier from Hizb ut Tahrir

(Translated)

On Tuesday 3/12/2019, the security forces of the ruling system in Jordan have arrested Brother Mazin Al Hashlamoun (Abu Hamza) on his way back to his house, as they took him from the public transport that he was traveling on to the security centre then they transferred him to the general intelligence department.

The ruling system in Jordan is continuously tempted, misguided and unjust, and chases the dawah carriers from Hizb ut Tahrir as if they are the ones who sold the country and its wealth, and brought the people to a situation of doom, when in reality they are as witnessed by the Ummah and their loyal men. They are the most caring towards their Ummah and its superiority and to save it from its tribulations that it is facing from the systems and rulers who have sold their religion, their countries and their countries' wealth with the cheapest of prices that do not go beyond remaining upon their ruling seats and vanishing thrones.

Surely these arrests and the previous ones, and what could follow will not dissect our limbs and will only increase our determination and confidence in Allah (swt) and steadfastness on the path of our Messenger and our Prophet (saw) who carried this religion and this dawah and remained steadfast despite the adversities and difficulties until Allah (swt) granted him victory and dominated his religion.

Additionally, we fully trust and are certain that the promise of Allah (swt) will be fulfilled and the glad tidings of the Messenger (saw) that this religion and its dawah carriers will be victorious no matter how dark the adversities are and despite the intensity of the tribulations, for Allah has promised to give victory to the believers in this life before the Hereafter, for Allah said and His words are the truest:

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

**“Verily, We will indeed make victorious Our Messengers and those who believe (in the Oneness of Allah Islamic Monotheism) in this world's life and on the Day when the witnesses will stand forth, (i.e. Day of Resurrection).” [Ghafir: 51]**
